AEROBICS CLASSES

Transform: combo of free weights, barbells and steps improving balance & core strength

Strength N Kick: is Mixed Martial Art athletic training set to motivating music. Easy to follow fight patterns and drills create a HIIT effect and help improve their cardiovascular strength and endurance.

Yoga: Improve strength, balance and flexibility while carving out time to center and reconnect with yourself. The guided relaxation at the end will rest and restore you. Each pose offers several levels from beginner to advance to fit each body.

Insane Focus: a cardio based on total body conditioning program based on the principles of MAX interval training.

Pi-Yo: Muscle-sculpting, core firming benefits of Pilates with the strength and flexibility advantages of yoga, dynamic, flowing sequences that burn serious calories and can lengthen and tone your muscles and increase flexibility.

Line Dance: Exercise your body & mind by dancing to lively, upbeat music. Line Dancing is a fun way to dance socially without a dance partner.

Pilates: Standing and mat exercises using body weight that improves core strength, flexibility, balance and stamina. All fitness levels are welcome.

Muscular Strength (Multi level) & Muscular Strength II (Intermediate-Advanced): fun variety of moves designed to increase strength and range of motion for daily activities, chair support offered for safety; includes: Hand weights, tubes & small balls.

Zumba@: a dance fitness sensation with easy-to-follow choreography, for a total body, dance party workout.

BOOM!: Fun, easy-to-follow dance fitness class for active older adults, beginners and anyone needing a low intensity/low impact, moderate level class to Latin, international, disco, country-western, Broadway and jazz music.

Tai-Chi: Is the gentle way to better health, can help improve flexibility, balance, muscle toning and feelings of well being with its slow fluid movements. Safe for all ages and fitness levels.

CYCLE ROOM

Sunrise: Wakeup with a spin on your morning to a big calorie burn and a feel good way to start your day.

Bootcamp: Need a challenge? Major calorie burn for a lean, strong, healthy body; may include: weights, bands, core moves and endurance training.

Happy Hour: Bring your water bottle and spin away your mid week blahs with some fun and friends!

CoreZone Room

HIIT/W.O.D: High intensity intervals/Work of the Day this class focuses on short bursts of intense exercise followed by lower intensity periods of active recovery; you will be challenged in all aspects of fitness. You will be pushed by an experienced coach through a carefully program that will help you build a muscle, strength, and endurance.

All new functional fitness area featuring PurMotion equipment. Orientation required. Initial classes will include orientation session. Intense (but can be modified) workout open to all levels. Produces exceptional cardio and toning results.
