

### **YMCA Competitive Sports Housing - Stay With Us!**

Has your team finalized travel plans for Nationals yet? If you haven't, please visit the YMCA Competitive Sports Housing website at [CompetitiveSportsHousing.net/YMCA](http://CompetitiveSportsHousing.net/YMCA). Our staff takes finding accommodations off your "to do" list, and acts as a concierge service for you. We've visited each of the hotels that we're offering as part of the Stay With Us program and guarantee the lowest group room rate to your team, without you having to worry about signing a contract that could result in a financial penalty.

Already booked your rooms through the Stay With Us program? Great! Here are a few deadlines and reminders to add to your calendar:

**3/31/17** - All Reservations and Rooming Lists must be received by our office. Please note cancellations made after 3/31/17 will result in a one night's room and tax non-refundable penalty.

**5/12/17** - Last day to make minor changes and individual cancellations with our office. Please call the hotel directly after this date.

**72 hours** - Changes must be made at least 72 hours prior to your check-in date.

**AGAIN THIS YEAR:** We value our relationship with our Savannah hotel partners! In an effort to make sure our hotels don't receive a large number of last minute cancellations, as we have experienced in the past, all rooms booked through YMCA Competitive Sports Housing will be charged one night room and tax after the rooming list deadline of March 31, 2017. As always, modifications can still be made to your reservation after that date, but should you choose to cancel your room(s) past the deadline, the one night room and tax is non-refundable.

If you have any questions about your room block, please contact YMCA Competitive Sports Housing at 888-939-5945 or email [competitivesports.housing@ymca.net](mailto:competitivesports.housing@ymca.net)
