Dear Festival Participant:

On October 14, 2017 the Liberty County/Armed Services YMCA will host the 12th Annual Liberty County Community Fall Festival from 11:00am - 3:00pm. This spectacular event is always a fun-filled celebration that promises to leave a fond, lasting impression of Liberty County and of the people who call it home. This event will provide a safe and entertaining experience for people of all ages and backgrounds. We are very proud of how it has grown and would like to extend the invitation to you and your organization to become a memorable part of the festival that has become a fall tradition in Hinesville!

Throughout the years, our community has grown by leaps and bounds! This year we are excited to present the community with the 12th Annual Fall Festival to the community! When creative talents come together, the most amazing things begin to develop. Ideas take shape, mutual respect grows, people unite and a community grows stronger.

The cost for booth participation at the event is \$30.00 for non-profit organization and \$40.00 for profitable organizations. The deadline for all registrations will be October 7th. No entries will be accepted after this date unless approved by event planner. Refunds will not be issued for any cancellations after October 7th.

100% of the money you make goes directly to your organization, once the booth fee has been paid. Get your registration forms in early as possible for a successful festival. There will be no charge to the public for admission to the Fall Festival.

If you are interested in participating, please fill out the enclosed registration form and bring it, with payment, to the YMCA or mail it, along with your check to:
