“ IT IS EASIER TO BUILD STRONG CHILDREN THAN TO REPAIR BROKEN MEN” -FREDERICK DOUGLASS

The YMCA of Coastal Georgia Achievers program boosts academic achievement and career success for minority and underserved youth. Our ultimate goal is to prepare youth for life beyond high school.

ACHIEVERS RECEIVE:

-  Career Exploration by exposing them to an array of careers, real world experiences and out of school opportunities with various businesses.
-  Opportunities to tour a diverse array of colleges and universities. Giving many of the students a first time perspective and future goal setting to become College Ready.
-  Expands knowledge of Civic Engagement and awareness of State and world issues, building upon communication, public speaking skills, and research/writing.
-  Learn to become a Cause Driven Leader by taking an active role in bringing about meaningful, enduring change in the community through volunteer opportunities.

EACH YEAR THE ACHIEVERS PROGRAM SERVES UP TO 35 STUDENTS. YOUR DONATION AND SPONSORSHIP WILL ENSURE THAT EACH STUDENT IS PREPARE FOR HIGH SCHOOL GRADUATION AND BEYOND.

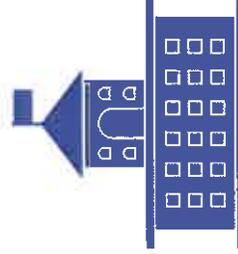

Through monthly cluster meetings, Achievers receive training in: college application, financial aid, scholarships, resume building, etiquette, time management, and more. Every cluster meeting includes a guest speaker who shares their career field and college experience.

Each year, Achievers participate in Youth Assembly and Georgia United Nations Assembly. Both conferences engage students in the research and writing of a resolutions including debating and learning about our government systems, allows students to gain leadership, lobbying and public speaking skills.

It is important for students to see themselves in a college environment. For this reason, Achievers attend various college tours. We select college tours based on students' interest. We ensure that local, state and some out of state colleges are included in tours. These includes vocational/certificate and four year institutions.
